Tish Hinojosa

"Her songs are richly detailed with slices of life... Hinojosa is a strong, poetic, sensual, and conscious voice." ~ Spin Magazine

"Simply put, Hinojosa is a first class songwriter." ~ Chicago Tribune

After her first independent release (*Taos to Tennessee*, 1987), Tish Hinojosa was signed by A&M Records and achieved an international debut release. Since then, a continuous stream of recordings and numerous American and European tours have brought Hinojosa's music to an ever-expanding audience. Her releases explore a wide variety of styles, ranging from the perfect balance of country, folk, and Latino elements on the award-winning *Culture Swing* (1992) and the collection of Mexican love ballads and border songs on the all Spanish *Frontejas* (1995), to the delicate mysticism of *Dreaming From the Labyrinth* (1996) and the joyful optimism on her bilingual children's record *Cada Niño/Every Child* (1996). *Sign of Truth* (2000) added yet another facet to Hinojosa's sound, revealing a more personal, intimate, and independent side.

When it comes to finding inspiration, sometimes you have to put a few miles between yourself and your hometown, or, even your country. This is exactly what Tish Hinojosa did for her 2013 album *After the Fair*. Originally from San Antonio, she spent the past nine years living, writing, composing, collaborating, and exploring in Hamburg, Germany. Having released her last CD, *Our Little Planet* — a self penned, 12-song collection of traditional bluegrass and her trademark sound of contemporary folk and Tex-Mex, in 2008 — she allowed the sights, sounds and historic culture of the St. Pauli neighborhood in Hamburg to work their magic on her newest body of work.

With accolades that include playing at the White House at the invitation of President Clinton and Hillary Clinton, Linda Ronstadt recording her own version of Tish's song *Donde Voy*, and teaming up with artists like Joan Baez, Kris Kristofferson, Dwight Yoakam, Nanci Griffith, Pete Seeger, Flaco Jimenez, and Los Lobos, Hinojosa's sound has an undeniable and far-reaching appeal.
